## SALTS IF BACKACHY AND KIDNEY HURTS

if your Bladder is troubling you. When you wake-up with backache

and dull misery in the kidney region it generally means you have been eating too much meat, says a wellknown authority. Meat forms uric acid which overworks the kidneys in their effort to filter it from the blood and they become sort of paralyzed and loggy. When your kidneys get sluggish and clog you must relieve them, like you relieve your bowels; removing all the body's urin-

"It's not difficult to wield a scrub brush if it finally aids you in attain-ing the privilege of voting." Miss Amidon enthusiastically declared today, as she told of her unauspicious begin-ning as a suffragist. "I would much rather attain enfranchisement through real labor than to have the vote thrust upon me. ### Not a Bite of Breakfast Until You Drink Water Says a glass of hot water and

phosphate prevents lilness and keeps us fit. Just as coal, when it burns, leaves

bustible material in the form of ashes so the food and drink taken day after day leaves in the alimentary canal certain amount of indigestible material, which if not completely eliminated from the system each day becomes food for the millions of bacteria which infeat the bowels. From this mass of left-over waste, toxins and ptomain-like poisons are formed and sucked into the blood.

Men and women who can't get feeling right must begin to take inside baths. Before eating breakfast each morning drink a glass of real hot water with a teaspoonful of limestone phosphate in it to wash out of the thirty feet of bowels the previous day's accumulation of poisons and toxins and to keep the entire alimentary canal clean, pure and fresh.

Washington Lady Tells How Plant Juice Was the Only Remedy to Help Her.

One of the most interesting statements made concerning that much-discussed preparation, Plant Juice, now being introduced in Washington is that of Mrs Kate Davis, of No 408 oth street N. W., a popular Washing-

ton lady, who has resided in this city for a number of years. She said:

"For a long time I have suffered with stomach trouble; I was bloated with gas after eating, and would be in terrible agony. I was in a very nervous condition, and could not sleep at night; my fiver was affected, which made me very dizzy, and I had bad headaches. I was constipated and took all kinds of medicines in the hope of finding something to relieve me. Nothing helped me until I started to take your Plant Juice. One bottle-relieved me so much that I continued to take it, and can how truthfully say that I have no more trouble of any kind. I am able to eat all of my meals and enjoy them; I sleep well, and my nerves are in fine condition; I am not constipated and feelike a new woman. I feel that I owe this public statement to Plant Juice for restoring my health."

Such words as these and those of many others which have been printed have wide influence, for they come from people of standing and integrity, who have given Plant Juice A fair trial and have been benefited thereby. The Plant Juice Man is at the People's Drug Store, corner of 7th and E streets northwest, where he is daily meeting the local public, and introducing and explaining the merits of this remedy.

On Saturday he will remain at the store until 10 p. m. to meet those who are unable to call during the day.—Advt.
